

PERFORMING ARTS MINISTRY BOOKING INFO

Hi! Thanks for your interest in my performing arts ministry (see www.injest.com/ministry). I look forward to contributing my unique talents to your church or ministry event.

Below is general booking info. Note that the descriptions are for "secular" events. Shows for ministry events often incorporate a message or theme, or they can be simply good clean fun. I can also provide interactive *playshops*, *free referrals* to other talents, and *multiple performers* for bigger shows and events.

Choice dates go fast so contact my office soon to discuss your needs. Thanks!

BOOKING INFO

Options

Nels' one-man shows can be 30-60 minutes. Depending on the event, he can provide...

...an informal "**show in a suitcase**" with side-splitting, gravity-defying comedy and juggling that can be tailored to small events and venues.

...a **full comedy variety show** with more flying objects, audience participation, signature routines to jazz/swing music, and an edge-of-your-seat stunt for the grand finale. A sound system, customized comedy, and stage & lighting effects can often be provided as well.

Fees

For events in North America, fees for the above are **\$1200** and **\$1600** (USD) plus expenses. Note that Nels' fees are lower than many comparable talents because he works mostly by word-of-mouth and referrals. Also, expenses and fees may vary for regional events, non-profits, and other special cases.

Technical Requirements

Shows can be adapted to almost any clean, well-lit space, and Nels can provide everything if he's driving to your event (sound system, lighting, etc). For an optimal experience or a full-scale production, see www.injest.com/tech .
